INTERNATIONAL HERITAGE FAIR 25TH EDITION « FUTURE AS LEGACY » 24 - 27 OCTOBER 2019 - CARROUSEL DU LOUVRE, PARIS

Organised by Ateliers d'Art de France since 2009, the International Heritage Fair brings together all the key stakeholders of heritage professions. This is a unique opportunity for discussions and reflection attended by more than 330 exhibitors and 21,000 visitors, both general public and professionals, for a 4-day period at the Carrousel du Louvre in Paris.

The International Heritage Fair (Salon International du Patrimoine Culturel - SIPC) is a landmark event bringing together professionals in the fields of the promotion, restoration and protection of the built or intangible heritage.

Institutions, local authorities, heritage preservation organisations, training centres, suppliers of built heritage, cabinetmakers, goldsmiths, stonemasons, furniture restorers, metalworkers, art painters - over 330 exhibitors from France and abroad gather in a friendly atmosphere at the Carrousel du Louvre, a prestigious venue located in the heart of Paris.

As a unique platform for exchanges and key business meeting place of the sector, this fair is an opportunity to build contacts with a public of decision-makers placing orders: professionals from the sector and property owners, but also connoisseurs and enthusiasts.

In addition, some 40 conferences are held each year to highlight the exceptional know-how of craftsmen, the richness of the French and world cultures, and innovative companies serving heritage.
