Press release, June 2021

INTERNATIONAL HERITAGE FAIRE : FROM 28 TO 31 OCTOBER 2021

Organised by Ateliers d'Art de France since 2009, the International Heritage Fair brings together all the key stakeholders of the heritage sector. A unique opportunity for discussions and reflection, the fair is attended each year by more than 300 exhibitors and 20,000 visitors, both general public and professionals, for a 4-day period at the Carrousel du Louvre in Paris.

The International Heritage Fair (*Salon International du Patrimoine Culturel - SIPC*) is a landmark event bringing together professionals in the fields of promotion, restoration and protection of the built or non-built, tangible or intangible heritage.

Cabinetmakers, heritage preservation organisations, suppliers of built heritage, furniture restorers, stonemasons, local authorities, blacksmith, new technology and innovating actors - over 300 exhibitors from France and abroad gather in a friendly atmosphere at the Carrousel du Louvre, a prestigious venue located in the heart of Paris.

As a unique platform for exchanges and a key business meeting place for the sector, this fair is an opportunity to build contacts with a public of decision-makers placing orders: professionals from the sector and property owners, but also connoisseurs and enthusiasts.

The theme of the 26th edition is "**Heritage and Territories**". While heritage acts as a link with the past, enhancing its value, it is also a solution for the future of territories providing a basis for understanding the society of the future. The upcoming edition of the fair will put a light on topics such as renewal and revitalisation of urban centres, re-use of monuments, touristic and economic attraction.
